Stamping Scheme

Keep a record of your trip on the Trans Pennine Trail with the stamping scheme. As you travel the route get your card stamped at places along the way. You can use your card to apply for route completion certificates. If a stamping point is closed when you arrive, why not take a photo and send it as proof when claiming certificates (we will return your photos).

Application Form

I would like to apply for a free Trans Pennine Trail Certificate and I enclose my stamped card.
