

Top Tips:

- Watch out for down hill mountain bikers
- Warning route is very hilly. Cyclists must be prepared to cycle up hills or push their bike on the steeper sections.
- "BEWARE WHERE YEA GO when yea venture out onto yon Wantley Crags after dusk for that's when the Wantley Dragon awakes...."
- Wantley is the old name for Wharncliffe. This text is taken from the archives at Sheffield Central Library. The Noble Norman Lord Wantley paid an evil witch to conjure the dragon from Hell to guard His Lordship's buried treasure which is said to be buried deep in a cave up on Wantley Crags. Legend says His Lordship orders the dragon to eat alive as many of those foul Anglo-Saxons as it wishes if they try to steal the treasure.

Trans Pennine Trail

Trail Treasure Hunt Wheata / Wharncliffe Woods

Start from: Wheata woods car park which is on Woodhead Road, which heads north out of Grenoside towards Wortley. The Trail starts from the top corner of the car park going downhill towards Wharncliffe Woods.

How to do the Treasure Hunt: On your way look out for the object in each photograph. When you spot it, simply answer the question next to the photograph. All the questions can be answered from the Trail, although they may be about things you can see in the distance rather than things on the Trail.

	<p>Question 1: Just after the car park how many steps down are there?</p> <p>Answer:</p>
	<p>Question 2: What two colours are on this wooden pole behind this gate?</p> <p>Answer:</p>
	<p>Question 3: If you are on this bridge are you on a footpath or a bridleway?</p> <p>Answer:</p>
	<p>Question 4: How many pylons are there lined up directly in a row?</p> <p>Answer:</p>

	<p>Question 5: Apart from dragons what else do you need to have caution for in the woods? What is this sign warning you of?</p> <p>Answer:</p>
	<p>Question 6: How heavy is the biggest dragon that can cross this bridge?</p> <p>Answer:</p>
	<p>Question 7: Looking towards the Steelworks at Stocksbridge how many churches can you see from this view?</p> <p>Answer:</p>
<p>The rocks at the north western end of Wharncliffe Craggs have been quarried to produce Quern-stones as far back into history as the Iron Age, continuing into the period of the Roman occupation of Britain</p>	
	<p>Question 8: Just before start of The Wharncliffe Craggs there is an old stone working building. What colour door does it have?</p> <p>Answer:</p>
	<p>Question 9: How many lanes are there on the A616?</p> <p>Answer:</p>
