

Know Your Neighbourhood Talkin Tarn – Barnsley

Great day out at Elsecar!

Here at Talkin Tarn we work tirelessly to help support SEND parents and carers and their children and young adults. The funding from the TPT meant that we could provide a walk along the TPT from Elsecar Heritage Centre to Hemingfield and back with a light lunch at the Elephant and Castle in-between.

Without this funding we wouldn't be in any position to allow our members to have such a chance to get out in the fresh air to get a bit of exercise with a group of people who really need support from each other, as well as us.

I know the Trail is just 'in a line' but stopping off for refreshments before heading back gave everyone a lovely break and the fact that we were going back the same way didn't matter a bit. Everyone enjoyed the chance to chat and there were some great conversations that we heard.

Had an amazing walk today thank you was just what I needed.

Thank you so much for today. I've had an amazing day and met some lovely people. The meal was lovely. What a fantastic place Elsecar is. I've just had a walk around the shops and the heritage centre too. A much needed break. Thanks again.

Thank you so much for today we really enjoyed it. I was chuffed I managed to walk a little. Thanks for organising the event. It was lovely to meet you all.

Had a lovely time with lovely company and I really enjoyed it.

As a group, we will certainly be trying to use other parts of the Trail and our volunteers will even be visiting it in their spare time too. Having the chance to bring all of us and our members together, some who feel very isolated at times, is just wonderful.
